Noting of loss of rights pursuant to Rule 112(1) EPC

The European patent application cited above is deemed to be withdrawn (R. 160(1) EPC) for the following reason(s):

- a) ☒ translation of the international application into one of the EPO's official languages (Art. 153(4) EPC) not filed within the period specified in Rule 159(1)(a) EPC
- b) ☒ filing fee

not validly paid/not made within the time limit specified in Rule 159(1)(c)-(f) EPC

- (c) ☐ payment of the above fees on, after expiry of the period for payment (on).

Means of redress

Request for a decision (R. 112(2) EPC)

If the applicant considers that the finding of the European Patent Office is inaccurate, he may, within a (non-extendable) period of **two months** after notification of this communication, apply in writing for a decision on the matter. The application can only lead to the finding being reversed if this does not actually correspond to the factual or legal situation.

Further processing (Art. 121 EPC)

The legal consequence of the failure to observe the time limit shall be deemed not to have ensued if, within a (non-extendable) period of **two months** after notification of this communication, further processing is requested by payment of the fee prescribed under Article 2(12) of the Rules relating to Fees and the omitted act is completed (R. 135(1) EPC).

It should be noted that in case of non-observance of the time limit for filing the translation and non-payment of the relevant fees, both the flat-rate amount ("other cases") and 50% of the relevant fees become payable as further processing fees.

**Request under Article 7(3) and (4) Rules relating to Fees**

The fee is considered to have been paid in due time if, within a period of **two months** from notification of this communication and in accordance with the requirements under Article 7(3) and (4) Rules relating to Fees, evidence is provided to the EPO that the payment was effected in an EPC Contracting State within the period in which the payment should have been made and, if applicable, the surcharge of 10% of the relevant fee(s) is paid.

Note

For applicants not having either a residence or principal place of business within the territory of one of the EPC Contracting States, the completion of the omitted acts (other than the non-payment of fees) for the purposes of a request under Article 121 EPC, or the filing of a request under Rule 112(2) EPC may only be undertaken by a professional representative authorised to act before the EPO.

Annex to loss of rights communications covered by the transitional provisions relating to EPC 2000

1. Information on the transitional arrangements applied by the EPO with regard to further processing pursuant to Article 121 of the revised EPC (EPC 2000)

Article 121 EPC 2000 applies to European patent applications pending when EPC 2000 enters into force, provided the time limits for requesting further processing have not yet expired at that time (see the decision of the Administrative Council of 28 June 2001 on the transitional provisions under Article 7 of the Act revising the EPC of 29 November 2000, Special Edition 1, OJ EPO 2007, 197).

To facilitate the changeover from the old to the new law, the EPO has begun issuing communications under Rule 112(1) EPC 2000 before EPC 2000 enters into force, thereby enabling applicants to request further processing under EPC 2000. The communication under Rule 112(1) EPC 2000 informs applicants that this remedy can be applied for if further processing for the non-observed time limit is available under EPC 2000.

This transitional arrangement is limited to cases in which the time limit for requesting further processing expires on or after the date on which EPC 2000 enters into force (see the decision of the Administrative Council referred to above).

If, in response to the communication under Rule 112(1) EPC 2000, a request for further processing is filed before EPC 2000 enters into force, the EPO will process it after EPC 2000 has entered into force.

Further processing is to be requested by payment of the relevant amount of the fee prescribed in the Rules relating to Fees (RRF) under EPC 2000 (see the decision of the Administrative Council of 7 December 2006 amending the Rules relating to Fees, Special Edition 1, OJ EPO 2007, 199; Article 2, item 12, RRF). Attention is drawn to the fact that the omitted act must be completed within the period for making the request (see Rule 135(1) EPC 2000).

2. Information on the transitional arrangements applied by the EPO with regard to the procedures under Rules 85a/85b and 108(3) EPC 1973 as replaced by further processing

Under EPC 2000, the procedure for paying the filing, search, designation and examination fees (plus the relevant surcharge) within a period of grace after the expiry of the basic time limit - as provided under Rule 85a/85b EPC 1973 - no longer exists. Instead, EPC 2000 provides for the issuing of a loss of rights communication (Rule 112(1) EPC 2000) giving the applicant the opportunity to request further processing under Article 121 EPC 2000.

To facilitate the changeover from the old to the new law, the EPO has begun issuing communications under Rule 112(1) EPC 2000 instead of communications under Rule 85a/85b EPC 1973 before EPC 2000 enters into force, thereby enabling applicants to request further processing under EPC 2000. This transitional

arrangement is limited to cases in which the time limit for requesting further processing expires on or after the entry into force of EPC 2000 (see the decision of the Administrative Council referred to above).

Euro-PCT: The principles set out above apply *mutatis mutandis* to the procedure under Rule 108(3) EPC 1973. Where the time limit for requesting further processing expires on or after the entry into force of EPC 2000, a communication under Rule 160(3) EPC 2000 will be sent, giving the applicant the opportunity to request further processing under EPC 2000.

**Notice drawing attention to Article 86(2) EPC, Art. 2 No. 5 of the rules relating to fees
- Payment of the renewal fee plus additional fee -**

The renewal fee for the 03. year fell due on 31.08.07 unless this date falls within the period covered by an interruption of the proceedings in accordance with Rule 90(1) EPC.

The amount of the renewal fee on that date was **EUR 400,00** (see OJ EPO 2001, 374, 377, 378, and 543).

The renewal fee was not paid by the due date.

The renewal fee may still be validly paid up to the last day of the sixth calendar month following the due date, provided that the additional fee (10% of the renewal fee) is paid at the same time.

Within the above period which cannot be extended the following fees are to be paid:

Renewal fee for the 03. year:	EUR	400,00
Additional fee:	EUR	40,00

TOTAL AMOUNT	EUR	440,00

If the renewal fee and the additional fee are not paid in due time, the European patent application shall be deemed to be withdrawn (Art.86(3) EPC).

Note to users of the automatic debiting procedure:

The normal time limit for payment of the above renewal fee had already expired when the automatic debit order was received. The renewal fee and the surcharge will be debited automatically on the last day of the period of grace (Supplement to OJ EPO 2/1999; OJ EPO 2000, 62).
